SPECIFIC TECHNICAL SOLUTION:
Create a performance that is memorable for both students, staff and parents and carers, to be kept for the future

More staffing – helps cover the different jobs and aspects required to maintain a performance

Creating a schedule where all the required staff and pupils meet to plan rehearsals and technicalities required

Ask for aid from parents/carers (for costumes, practising lines and acting)

Borrow and schedule other teaching assistants for help with rehearsals

Create a schedule on Google Slides or equivalent where everyone can access it easily to observe any updates to timings

Create a timetable on paper in a large format within a centralised location so that people can physically see the timings, etc needed
